Graduation Requirements for Program: Please note the number of *institutional credits* and *institutional GPA* required to graduate from the program.

Program Status refers to the evaluation as a whole. Statuses include Not Started; In Progress; Pending (Anticipated Complete—see note below); and Complete.

Note: When a student registers for the final class of the program, the program status will change to reflect a pending completion status.

(*) Anticipates completion of in-progress and registered courses

```
=====
Statuses: W=Waived, C=Complete, I=In progress, N=Not started
P=Pending completion of unfinished activity
=====
```

Status Code Key: A status code appears to the left of each individual requirement, as well as any subrequirement within it.

For example, The **C**) status code beside “English/Communication” and the “Math” requirements indicates that the requirements are complete. The **P**) beside the “Science” requirement indicates that the Science requirement is Pending completion of unfinished activity. The has completed part of the requirement but must complete the remaining subrequirement for which he is pre-registered.
